ReACT  
Montana  
Mini-Grants

## What is a Mini-Grant?

- ReACT mini-grants are funds offered to Montana students 13-18 years old to promote tobacco advocacy, education, and prevention at the community level.

## The Details

- Youth provide leadership and collaborate with an adult advisor in their local areas.
- Applicants may request up to \$4,000.
- The grants are competitive, so make yours awesome!
- Completed applications are reviewed by the Mini-Grant Committee.
- The Mini-Grant Committee will gather in October to review applications and select grantees.
- Selected applicants may receive full or partial funding for their projects.
- Applicants will receive a certified letter by mail with their results.
- Selected recipients will receive their funds no later than the second week of November.

## Mini Grant Requirements

- Youth Project Leader
- Adult Project Advisor
- Youth in Grades 7-12
- Complete Online Application by October 3rd, 2022

## Mini-Grant Topic Choices?

- Tobacco Product Prevention Campaigns
  - Option 1: Cessation (Quitting) Promotion
  - Option 2: Difference between Commercial & Sacred Tobacco in the American Indian Community
  - Option 3: Community awareness of Point-of-Sale Marketing of tobacco and nicotine products
  - Option 4: Work toward the Inclusion of E-cigarettes in the Clean Indoor Air Act (CIAA)
- Days of Action Community Involvement
- Tobacco-Free Community Events

## How Can You Use a Mini-Grant?

- “Tobacco-free Garbage Can Decal Campaign”
  - Students could design a decal featuring tobacco awareness, prevention, or cessation message with the reACT logo. Once the decal has been created, students and an adult advisor will establish a relationship with the City Council and request approval to place the decal on all city trash cans.
- Vaping 101: Escape Room
  - Students could design a vape education theme escape room for community members to engage in to learn the reality of youth vaping. Youth may base the information on county or state data provided by 2021 YRBS available on the Montana Tobacco Use Prevention Program website (e.g., [www.mtupp@mt.gov](mailto:www.mtupp@mt.gov))
- Visit [www.mtreact.com](http://www.mtreact.com) to learn more about these projects in our Mini-Grant Guide.
